CONFERENCE 1

Industry Forum

Keynote Speech: **Kyriacos Hatzaras, DG-CNECT** (TBC)

ADHW 2025 in collaboration with industry associations, and the support of Xt-EHR, IHE, HL7 Hellas, will discuss the EEHRxF specifications.

09:00-11:00 An early version of the model for a self-conformity assessment scheme may be presented. A collaborative session to allow industry stakeholders and vendors to express their views for the adoption of the EHDS and help align the EHDS timeline with the capabilities and roadmaps of vendors. Vendor-driven panels will be organised by Digital Europe, Medtech, COCIR, IHE and other organisations. The objective is to elaborate and propose a commonly accepted approach on how the industry stakeholders can interact to ensure adoption of the EHDS regulation and the conformance to the EEHRxF specifications.
